

## RECORD PURGING OF PRE-2011 SPECIAL EDUCATION RECORDS

This is to notify any student that attended the Fruitland School District prior to 2011-2012 AND received Special Education Services that their special education records are available prior to July 1, 2018.

If you would like to have these records, you may pick them up prior to July 1, 2018 at the Fruitland District Office, 401 Iowa Avenue. If the records have not been collected by Friday, June 29, they will be destroyed according to the state guidelines.

In compliance with Idaho state guidelines, "special education records may be destroyed five (5) years after the LEA no longer needs the information to provide special education services."

Please be aware that these records may be needed in the future for social security benefits or other purposes.

If you have any questions, please contact Sandy Valadez at (208) 452-3595.
